VET STUDENT LOANS (VSL)

Please go to the college's web site at www.latrobecollege.edu.au, scroll to the bottom and select **Policies and Information** to view eligibility and conditions of Vet Student Loans (VSL).

The college will apply for VSL on the student's behalf if they indicate it on their Acceptance Form.

The general conditions of using VSL is that you are an Australian citizen and that you have not exceeded your Fee-Help-Help limit in vet training. As of 2019 this was \$104,440.

Students are aware that VSL is a Commonwealth loan scheme offered to all eligible Australian citizens and must be paid back. Loan repayment is made through the student's annual tax return. Once the student earns over \$45,500 pa the student's tax will increase by 1%, which rises when the student's income rises.

Each student has a ceiling of how much study they can put on their VSL. If the student's Fee-Help-Balance has been exhausted the student is unable add more study to their loan.

If the student has previous university study this is not added to their Fee-Help-Balance.

Please call the college on 03 9495 6622 to talk to a staff member if you would like to talk about using VSL.
